## Ilmington Community Shop and Café Volunteer Expression of Interest Form

Volunteering is a great way to meet new neighbours and make new friends.

We have many different ways to volunteer at the shop & café including regular shifts, irregular shifts, help at peak times or at short notice. We also have many opportunities behind the scenes such as cake baking, gardening and maintenance and help with out of hours events! To register your interest without obligation, please return this form to Michele at the shop.
